

JICA - STUDENT DRESS

The Board of Education recognizes that responsibility for the dress and appearance of students generally rests with individual students and their parents. All students should be able to dress comfortably and in a manner that expresses their individuality without fear of or actual unnecessary discipline or body shaming. To ensure effective and equitable enforcement of the dress code, school officials shall enforce the dress code consistently and in a manner that does not create disparities, reinforce stereotypes, or increase marginalization or oppression of any group. This dress code will not be more strictly enforced against students because of their race, color, creed, national origin, ancestry, sex, sexual orientation, gender identity, gender expression, marital status, age or disability.

Definitions:

The prohibition on gang-related apparel shall be applied at the discretion of school principals after consultation with the superintendent or designee as the need arises at individual schools. (See District Policy JICF, Secret Societies/Gang Activity and Dress).

Dress Code Enforcement:

A student who violates this dress code will be notified of the violation. Before re-entering class, the student will be provided with three options: (1) wear their own alternative clothing, if available at school; (2) wear school provided clothing; or (3) call a parent or guardian to bring alternative clothing. A parent conference may be held at the discretion of the building-level administrator. More severe disciplinary consequences, including suspension or expulsion, may result from repeated or serious violations.
