

JJID - STUDENT PHYSICALS FOR SCHOOL ATHLETICS

Students participating in middle or high school competitive athletics shall have an annual physical examination prior to any competition or formal practice related to such participation. The required physical examination shall be performed by a practitioner licensed in the United States to perform sports physicals as recognized by CHSAA, and shall include the issuance of a written and signed certification as required by CHSAA.

Adopted by Board: January 11, 1999

Revised by Board: September 10, 2001

Revised by Superintendent: June 16, 2009
